

# Gold Picture Frames: 5 Stylish Designs + DIY Gold Frame Tips

Are you looking to spruce up your home without spending a fortune? Gold picture frames are a trendy and versatile option for frame collages, statement pieces, and more.

In this post, you'll find five product picks along with DIY tips for creating your own frames. Read on to find gold picture frames that are perfect for your home decor preferences.

## Top 5 Gold Picture Frames

### 1. [Kate Aspen "All That Glitters" Gold Frame](#)

If you want a small gold picture frame that really catches the eye, this Kate Aspen design is perfect. The petite frame fits a 2.5 by 2.5-inch photo, and the size of the frame itself is 3.5 by 3.5 inches. Made from gold resin and dusted with stunning gold glitter, it's excellent for trendy statement pieces.

### 2. [Rustic and Refined Design Solid Wood Made in USA Picture Frame with 1 Inch Border](#)

If you enjoy modern minimalist designs, this pick from Rustic and Refined Design will catch your eye. The 4.5 by 4.5-inch frame is made from sturdy solid wood, and the thick one-inch border features a classic gold finish.

The frame holds a 2.5 by 2.5-inch photo or flat item, so it's another great choice for holding keepsakes. Each frame is handmade, so you'll see subtle natural markings from the solid wood that is used.

### 3. [Gift Garden Friends Gift Gold Vintage Picture Frame](#)

If you're a fan of vintage interior decor, you'll adore 5 by 7 gold picture frame. The vintage design has a classic European feel, and it's very elegant with a polished gold finish.

Each frame is hand-painted to further enhance the unique style of genuine vintage decor. This frame is ideal for a mantelpiece or home office, but you can make it work anywhere you'd like.

#### 4. [Imperial Frames 5 by 7-Inch Gold Molding with Floral Designs](#)

Imperial Frames offers many eye-catching photo frames, and this gold floral design is no exception. Vintage meets modern with sleek, solid wood, detailed trim, and a gold gesso finish.

The frame is available in sizes ranging from 4 by 6 inches to 16 by 20 inches. The standout design makes this pick perfect for statement pieces anywhere in your home.

#### 5. [Philip Whitney 5x7/4x6 Rose Gold Geo Frame](#)

Rose gold is an iconic hue that's popular on the runways, home decor, and more. This Philip Whitney adopts the trend for its stylish modern frame.

The frame has a multi-angled geometric surface that's abstract yet sleek. A high-shine metallic finish further adds to the ultra-mod vibe. This visually appealing frame is a great pick for any room with a contemporary design theme.

## DIY Gold Picture Frames

If you're feeling crafty, you can easily create your own unique gold picture frames. All you need are [some inexpensive plain frames](#) and gold paint(s) that suit your taste.

There are dozens of different paint finishes to choose from, so you can mix and match for the ultimate DIY look. Our favorite picks are:

- [Martha Stewart Multi-Surface Metallic Spraypaint in '33001 Rose Gold'](#)
- [Prima Marketing Finnabair Art Alchemy Acrylic Paint in 'Opal Magic Rose/Gold'](#)
- [Rust-Oleum 1910830 Metallic Spray in 'Gold'](#)
- [DecoArt Dazzling Metallics 2-Ounce Emperor's Gold Acrylic Paint](#)
- [Krylon K03801A00 Glitter Blast in 'Golden Glow'](#)
- [FolkArt Extreme Glitter Acrylic Paint in '2771 Gold'](#)

Acrylic paint is perfect for adding fine details such as text or border designs.

Spray paint is an excellent choice for even application, but it can be messy and often emits harsh fumes. Make sure to use spray paint in a well-ventilated area, and wear [disposable safety masks](#) and [rubber gloves](#).

### Takeaway

Anyone can implement the gold picture frame design trend in their home. Even the most high-end styles are available at affordable price points. From kitschy to classic, there are frames to suit any taste.
